

SHIIR

GEO DECO

Straightforward and precise, Geo Deco possesses a graphic sensibility that is at once vintage and oh so modern. Reinvented relic? Hardly. Try upstart. Renegade. Rebel. How else to describe the arresting unity between familiar geometry and shockingly sumptuous cashmere? It's a fusion that exhilarates with a single touch.

GEO DECO

Origin

Made in India

Material

Cashmere & Silk

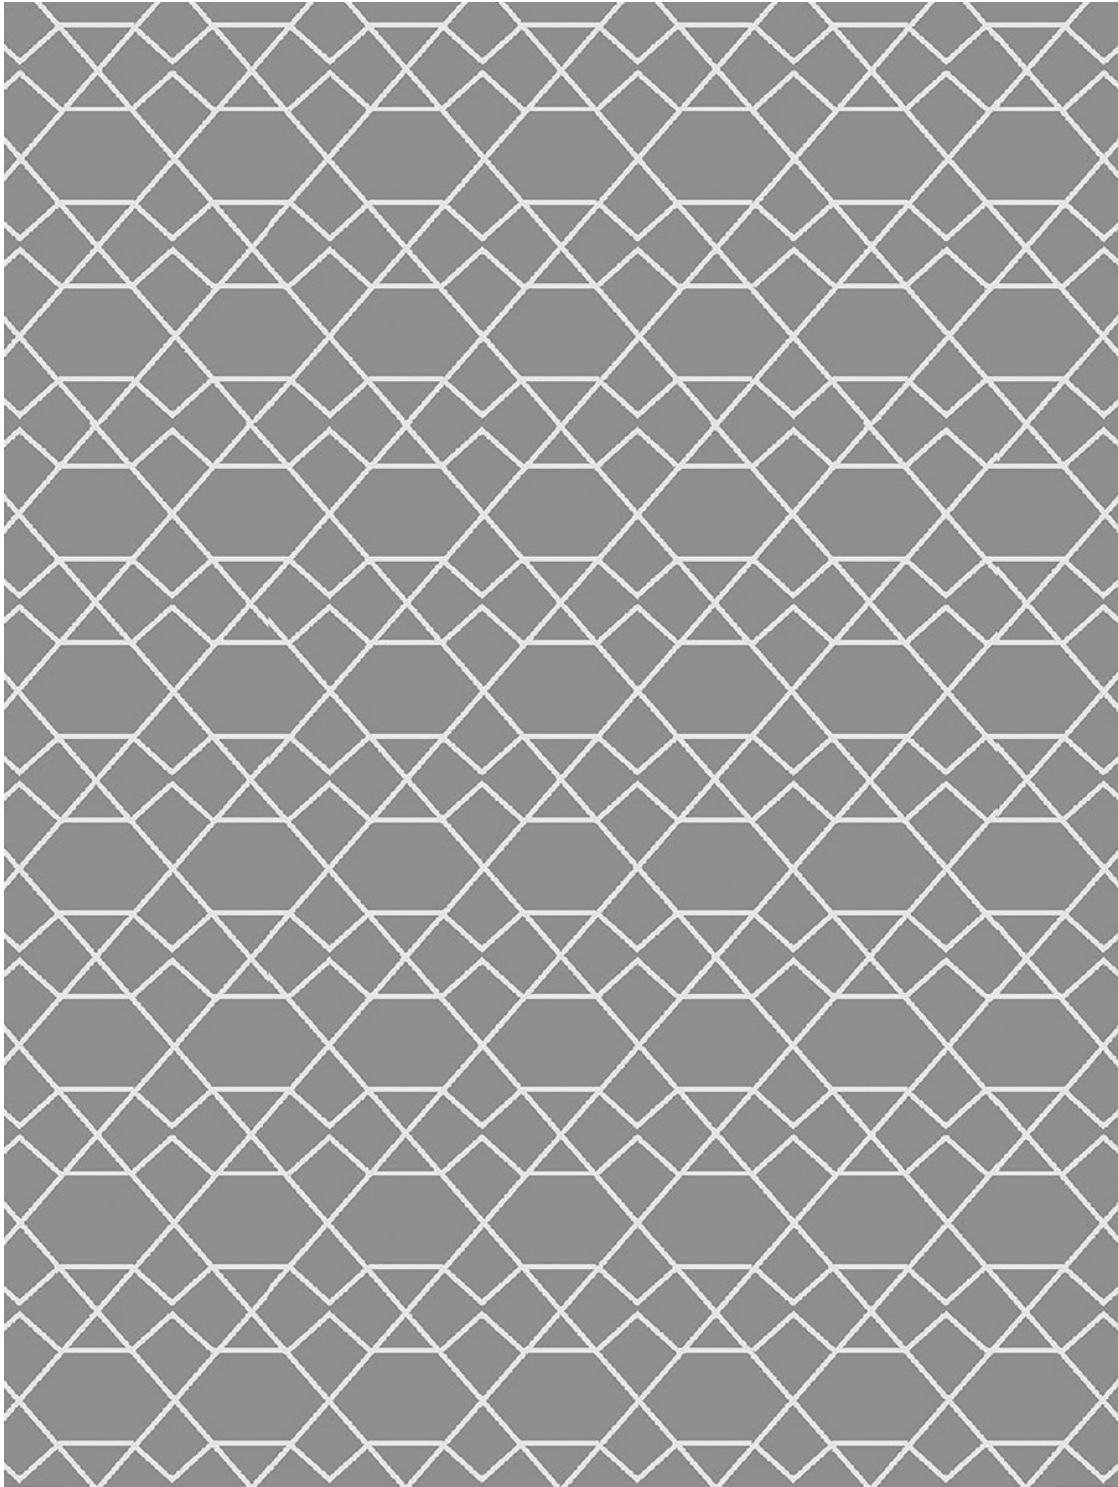

Size

Shown as 9x12' rug

Lupine
