

SHIIR

VENETIAN DAMASK

Like the curtained doorways heralding the entries to the venerable establishments ribboning the arcades of the Piazza San Marco for centuries, Venetian Damask shares its antecedents traditionally dense weave and inky depth of color. An adroit mélange of silk and wool, alternately allowed to mingle and shine, results in exquisite plays of light across its surface.

VENETIAN DAMASK

Origin

Made in India

Material

Wool & Silk

Size

Shown as 9x12' rug
