DESIGN WELL TRAVELED

Uniquely bold expressions of style unlike any others. Investment pieces that layer space with stories—of oceans crossed, cultures explored, histories exalted. Stories of the natural world—revered, remembered, and reinvented. Stories of master artisans whose talents elevate handcraft to the sublime. A collection born of myriad influences: a long-ago African Queen’s geographic conquests. The mesmerizing allure of a canopied tree beneath the shimmering Mexican sun. An early twentieth century European design movement still captivating us today. These are rugs that capture the imagination. Extend an invitation to explore new decorative horizons. And feel right at home, in any home.

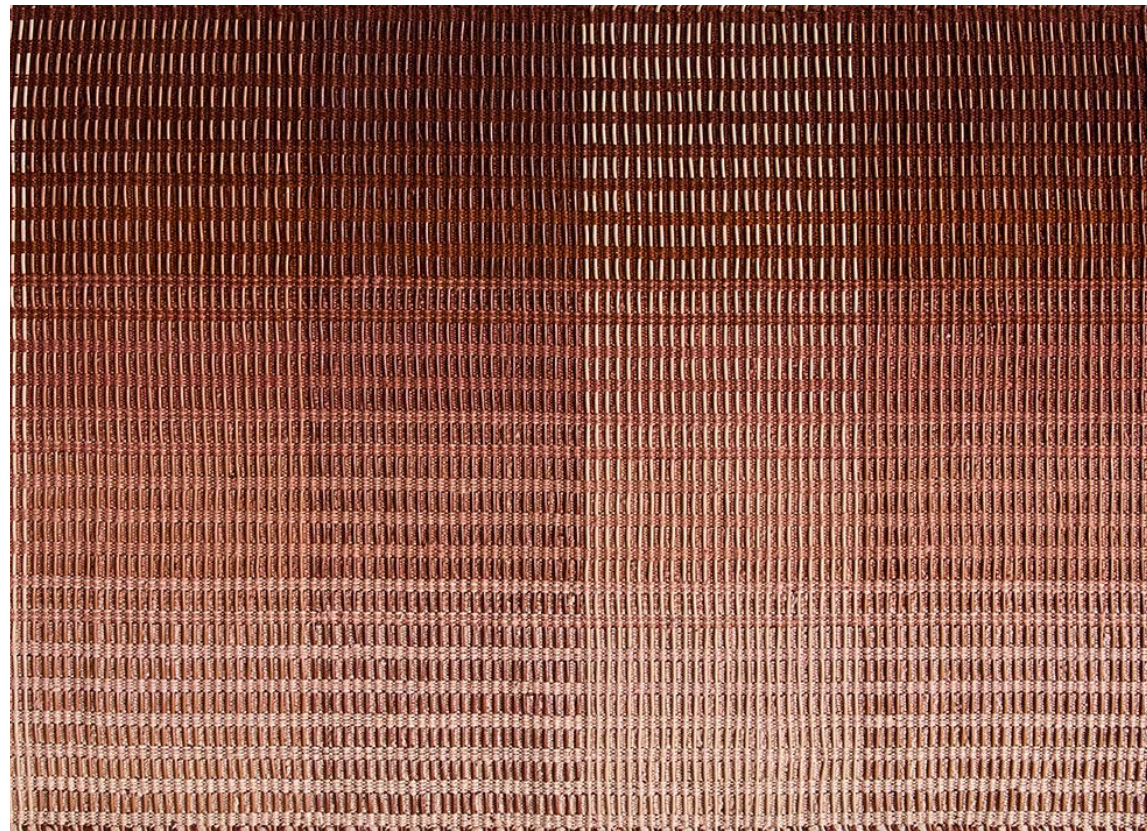

ALBERS

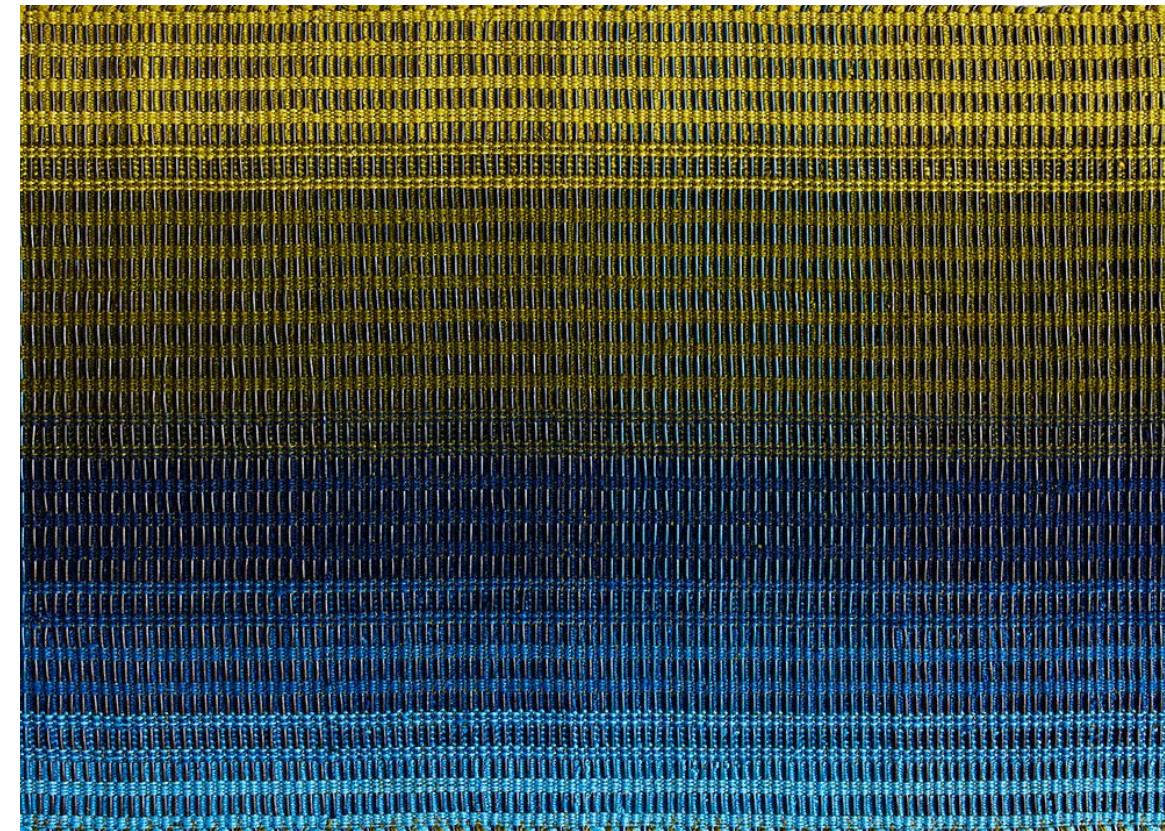

ODYSSEY COLLECTION

Leather, Linen. Made in India.

An homage, squared—to European artist Josef Albers and, to his famed “Squares” series. The embodiment of Mid-Century, Bauhaus-inspired design, our Tuareg-style Albers pattern is linear. Geometric. Simplified. And yet, reflective exploration reveals Albers to be more highly nuanced than perhaps initially understood. An ombre-shaded expression of overlapping, multi-hued linen and leather cord—and your own discerning taste.

BORDURE

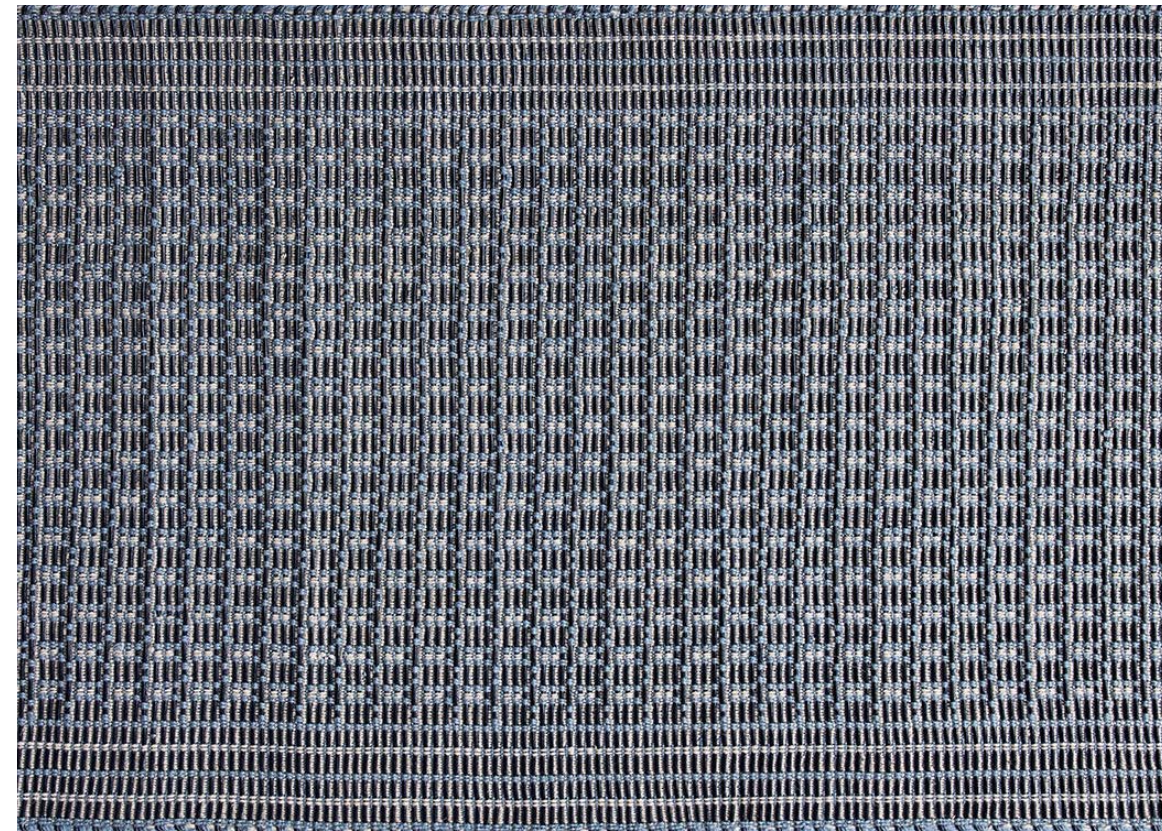

ODYSSEY COLLECTION

Leather, Linen. Made in India.

Like African Tuaregs—nomadic tribal wanderers who first journeyed, centuries ago, across a continent to expand their influence—Bordure is enclosed by borders. Not of seas or mountains, but of woven leather and linen, in a welcome mélange of geometric simplicity and exuberant coloration. Limitless in its application, Bordure is both restrained and playful—and at ease almost anywhere your own design journeys may lead.

CROSSING

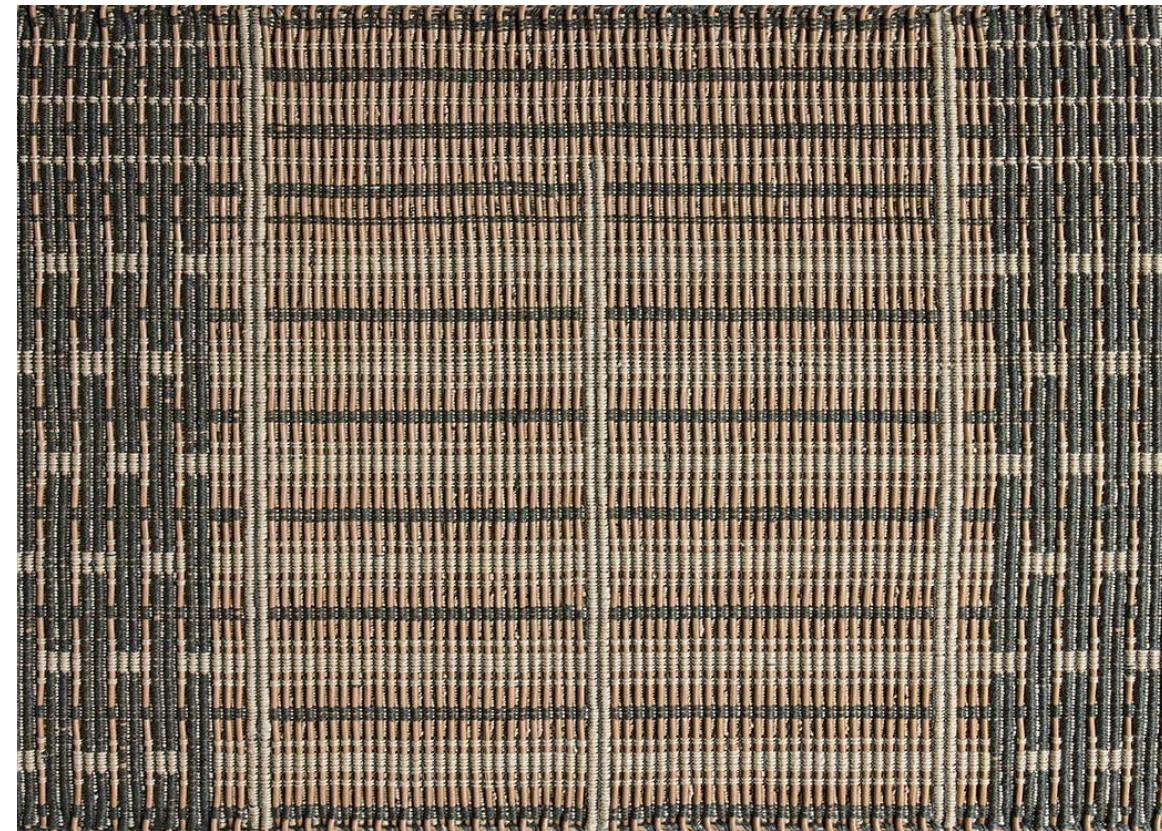

ODYSSEY COLLECTION

Woven Leather. Made in India.

Orderly, yet varied. Parallel, yet perpendicular. Like the proverbial fork in the road, Tuareg-inspired Crossing presents an exhilarating choice: to view pattern as vertical—or horizontal. And like all versatile options, it layers even the most current of spaces with design rooted in history – easily traversing centuries, oceans, and contexts.

DURANGO

ODYSSEY COLLECTION

Wool, Mohair. Made in India.

Durango's patterning recalls the bark of the sycamore tree, adorned with organic, amorphous, and irregular shapes. Ebbing and flowing across tree trunks—and beautifully designed rooms, whether rising from woods, resting near waters, or reminding inhabitants of the wider world—Durango suffuses any space with a sense of the primitive. The essential. And the undeniably evocative.

MAQUETTE

ODYSSEY COLLECTION

Wool. Made in India.

If cozy could be rendered in an artist's sketch, it would look like Maquette. Linear, but loose. Irregularly patterned for visual ease and open-ended furniture placement. Plush. Deep, in feel and in fact, thanks to bevel-edged pile atop its exposed foundation. A reminder that warmth is a sense and not just a sensation.

MERLETTO

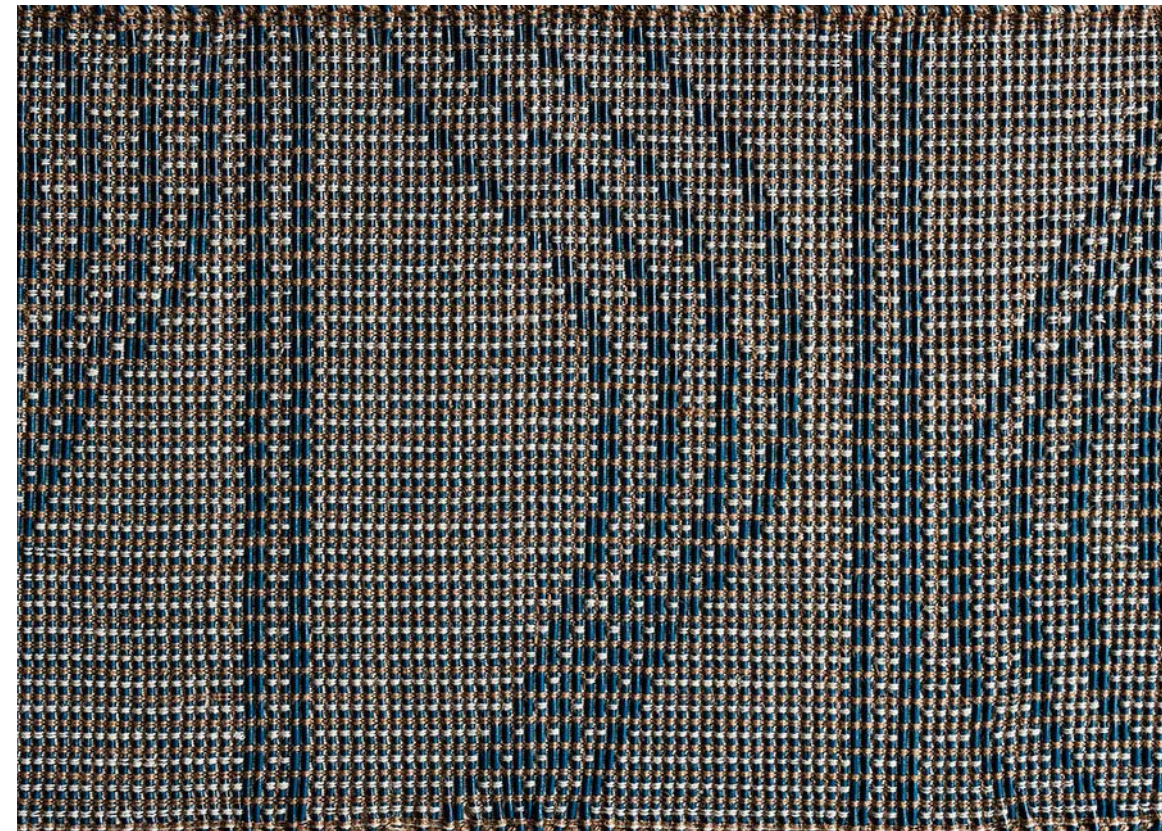

ODYSSEY COLLECTION

Leather, Linen. Made in India.

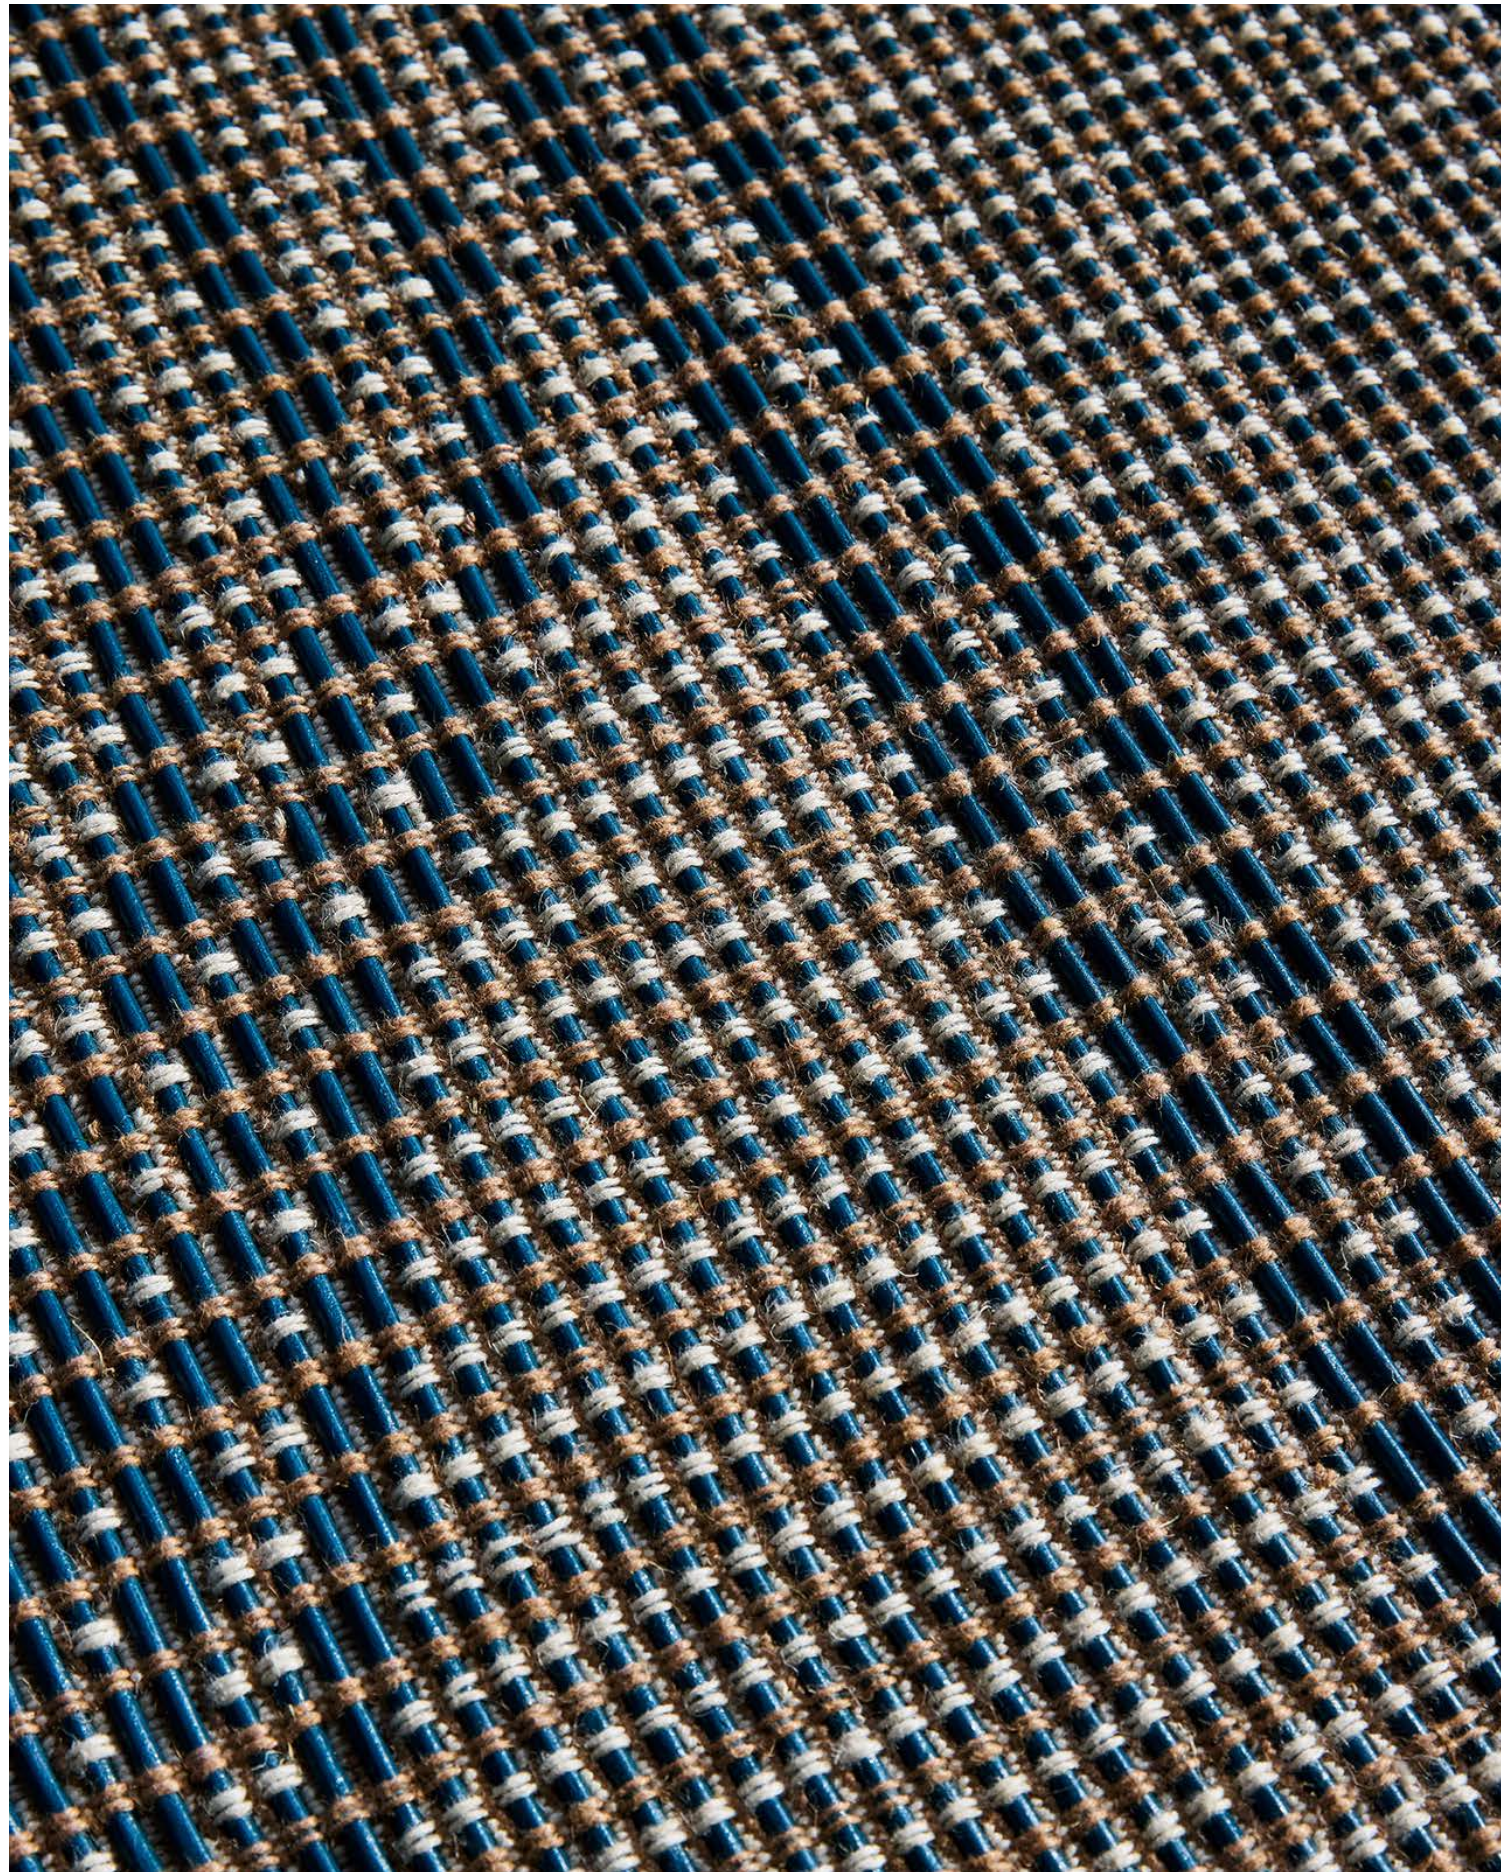

*Think lace, but in leather form.
Woven, waving, and wonderful.
An intoxicating example
craftsmanship, expressing artistry
and imagination in dual renditions;
leather lace, hand-stitched
and undulating—and leather
lace, hand-woven and level. An
enticingly irregular blending of
high and low, unified by linen.*

SEDIRA

ODYSSEY COLLECTION

Wool. Made in Tibet.

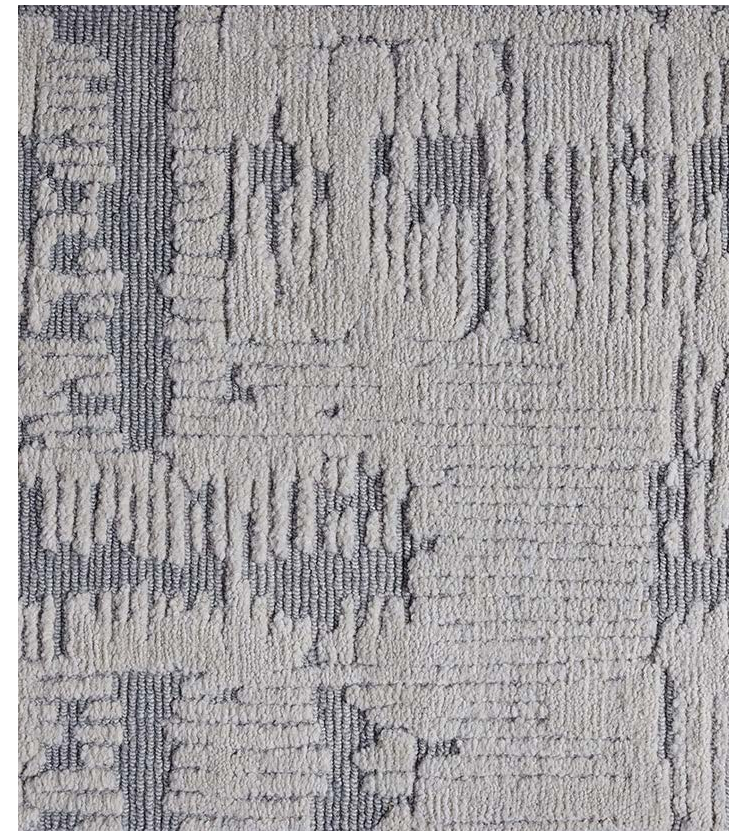

*Layered and ridged, like
sediments bonded over time
immemorial. History, revealed.
Shape, considered. Hue, twinned.
Connected in pattern and open
to possibilities.*

TINIAN

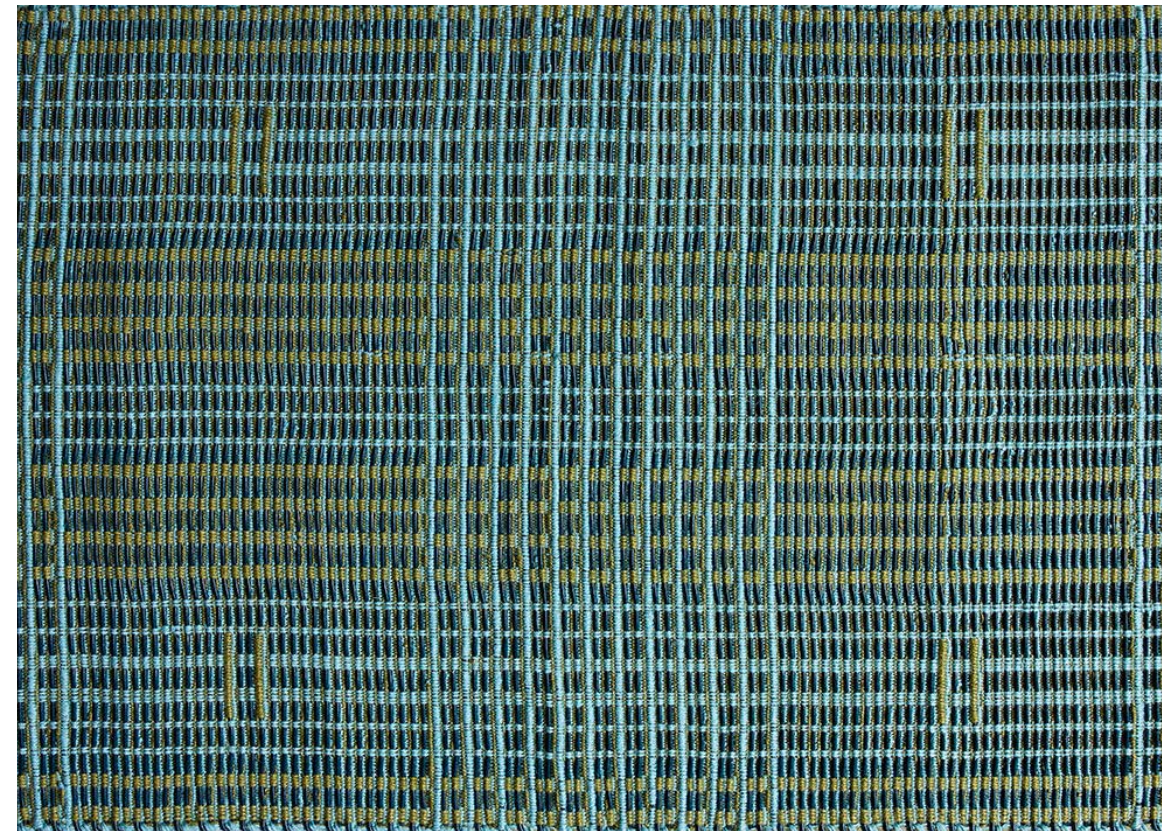

ODYSSEY COLLECTION

Woven Leather. Made in India.

Like the Mother Continent's Queen Tinian—visionary leader of the African Tuareg tribe—our own Tinian is at once adventurous and calculating. A study in regulation thanks to repetitive geometric patterning, Tinian also proffers interpretive excitement resulting from decorative interruptions of that very repetition.
