PLEIN AIR
COLLECTION

PERFORMANCE REIMAGINED

Uncommonly sophisticated hand-knotted rugs that are beautifully at ease both indoors and out, SHIIR's Plein Air Collection distinguishes residential and commercial projects with wondrous colorations, complex patterns, and tactile extravagance. Think: exquisite hand embroidery. Finely hand-stitched pattern accents. Richly heathered solids. And satisfyingly hefty flat weaves. All hand-crafted of sustainably sourced PET fiber. All with the ability to resist the elements, fading, stains – and life. And all designed to invite layering with the rest of our rugs, whether within a room or throughout a home. Now more than ever, there's a luxurious SHIIR rug perfectly suited to your every need – regardless of where you need it.
