

SHIIR

## CAMBER

A riddle, a solution, a revelation – and a pattern born of an exquisite trio of factors. Wool and silk, high and low, a limit of two colors: what could they yield? This was our preoccupation, as we conceived the possibilities. At last, we settled on high pile silk and hand-carved wool to achieve oxidized-like impact with fluff, sheen, and inspired color pairings.

# CAMBER

*Origin*

*Made in India*

*Material*

*Pashmina & Silk*
