LUMA

They say the best designs come from collaboration—like Luma, whose every staggered, alternating stripe feels like the liveliest of conversations. Here, colors trade places, shifting column by column, a rhythm both structured and free. Inspired by Bauhaus ideals, Luma displays a meeting of minds and hands—of Indian weavers, modern designers, worldly cultures and historic influences, all combining in the creation of handcrafts for living. Flatweave construction and available in two standard materials: wool or Polyester (PET).
