SORIN

Embodying the notion that emptiness brings with it possibility, Sorin features an open field that invites interpretation, offering a versatile canvas to fill – with myriad furniture placements, or none at all. In contrast, Sorin's textured border – reminiscent of reed mats, handwoven baskets, and interlaced leather – edges that field with intricate detail. It is this very contrast – between openness and structure – that allows Sorin to feel both limitless and beautifully defined. Available in three standard constructions: hand-knotted, Tibetan; hand-knotted, Persian oxidized; and hand-tufted.

Shikari. Hand-knotted, Tibetan. Cashmere & Wool (top). Jasper. Hand-knotted, Persian. Wool & Silk (middle). Eden. Hand-tufted. Wool & Nylon (bottom)
